## **Independent Auditor's Report**

---

**To the Trustee of The Amara Charitable Trust**

### **Report on the Audit of the Annual Report And Financial Statements**

#### **Opinion**

We have audited the annual report and financial statements of The Amara Charitable Trust (the trust) set out on pages 8 to 16, which comprise the statement of financial position as at 31 December 2024, statement of profit or loss and other comprehensive income, statement of changes in general fund and statement of cash flows for the year then ended, and the notes to the annual report and financial statements, including material accounting policy information.

In our opinion, the annual report and financial statements present fairly, in all material respects, the financial position of The Amara Charitable Trust as at 31 December 2024, and its financial performance and cash flows for the year then ended in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Trustees Perpetual Succession Act .

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Annual Report And Financial Statements section of our report. We are independent of the trust in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants and other independence requirements applicable to performing audits of Auditor's Responsibilities for the Audit of the Annual Report And Financial Statements in Kenya. We have fulfilled our other ethical responsibilities in accordance with the IESBA Code and in accordance with other ethical requirements applicable to performing audits in Kenya. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Other Information**

The trustees are responsible for the other information. The other information comprises the information included in the document titled "The Amara Charitable Trust annual report and financial statements for the year ended 31 December 2024", which includes the Trustees' Report as required by the Trustees (Perpetual succession) Act Chapter 164, which we obtained prior to the date of this report, and the Annual Report, which is expected to be made available to us after that date. The other information does not include the annual report and financial statements and our auditor's report thereon.

Our opinion on the annual report and financial statements does not cover the other information and we do not and will not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the annual report and financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the annual report and financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of the Trustees for the Annual Report And Financial Statements**

The trustees are responsible for the preparation and fair presentation of the annual report and financial statements in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Trustees Perpetual Succession Act , and for such internal control as the trustees determine is necessary to enable the preparation of annual report and financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the annual report and financial statements, the trustees are responsible for assessing the trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the trust or to cease operations, or have no realistic alternative but to do so.

The trustees are responsible for overseeing the company's financial reporting process.

## Independent Auditor's Report

---

### Auditor's Responsibilities for the Audit of the Annual Report And Financial Statements

Our objectives are to obtain reasonable assurance about whether the annual report and financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual report and financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual report and financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual report and financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual report and financial statements, including the disclosures, and whether the annual report and financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### Report on Other Legal and Regulatory Requirements

In our opinion the information given in the report of the trustees on page 3 - 5 is consistent with the Annual Report And Financial Statements.

The engagement partner responsible for the audit resulting in this independent auditor's report was CPA Alfred Siele, Practicing Certificate No. 1690.
